Welcome to Khaasiyat

A Pure Vegetarian Culinary Destination in the Heart of Kashmir

Tucked away in the breathtaking landscapes of Kashmir, Khaasiyat is a pure vegetarian, multi-cuisine restaurant offering a thoughtfully curated selection of flavors from across India and beyond. From timeless South Indian classics and rich North Indian delicacies to global vegetarian favorites, our menu is a tribute to diversity in taste and tradition.

The vision for Khaasiyat was born during a family trip to Kashmir, when founder Harish Kale—a passionate vegetarian and culinary enthusiast—struggled to find wholesome, pure vegetarian food that met his family's varied preferences. That moment sparked an idea: to create a space where vegetarian cuisine is celebrated in all its richness and variety.

At Khaasiyat, every dish is prepared using the freshest ingredients, sourced locally whenever possible, and crafted with care by our skilled chefs. Whether you're indulging in hearty North Indian varieties, Chinese cuisine, savoring a crisp dosa, or exploring a continental-inspired creation, you'll find authenticity, quality, and warmth in every bite accompanied by our curated mocktail menu that will balance your palate.

With a welcoming ambience, attentive service, and a deep-rooted passion for vegetarian food, Khaasiyat invites you to relax, unwind, and embark on a memorable culinary journey.

Experience the essence of flavor. Experience Khaasiyat.
